

2022 Annual Report

AlaskaUSA[®]
Foundation

ABOUT THE FOUNDATION

Alaska USA Foundation was established in 2003 to support 501(c)(3) charitable organizations that provide needs-based services to children, veterans, and active-duty members of the military and their families as well as food banks and pantries. Since its inception, the Foundation has distributed more than \$4 million to these organizations.

Through the generosity of others, the Alaska USA Foundation has had the opportunity to partner with more than 50 organizations this year, helping to impact the communities we serve in a unique way. We look forward to the year to come with hope and excitement as we grow. On behalf of the Board of Directors, I want to thank you for continuing to support the Alaska USA Foundation in its efforts to assist the communities we serve.
